

Do You Know Your Name

When it comes to endtime precepts there is something that we need to understand. All that we see going on in this world and as crazy as this world becomes, we need not fall prey to all that satan is trying too accomplish. He knows that his time is short. We are seeing with our very own eyes, his last ditch effort to deceive the world and to persecute Christians who are representing Jesus, who are trying to show the world the truth.

Yes the battle between the darkness and the light can get very intense. Unfortunately some Christians are getting pushed around by satan and are falling for his deceptions. Others may not be falling for his deceptions, yet they are walking around in worry and fear about all that's going on in the world. No matter what category the Christians just mentioned are in, there is one thing they need to know. To come out of deception and to overcome fear and worry, they need to know who they are in Christ. Then to act on it.

Do you know who you are in Christ? Do you know what the many titles that have been given to you are? Even more so, does satan know that you know who you are?

Acts 19:13-17

“ Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the LORD Jesus, saying, We adjure you by Jesus whom Paul preacheth. And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are ye? And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded.

Here are the lyrics to a song that I wrote some years ago. I think it sums up very well what I am getting at.

Do You Know Your Name

Do you know your name and all that Christ has done for you
Do you know your name and the kingdom you now belong to
Do you know the rulers of darkness have come to rob and deceived
With a purpose to hide from you, your true identity
Do you know your name, do you know your name

Your name is Anointed, your name is Chosen
When you were Born Again all Heaven heard the angels rejoicing
Your name is Conqueror, your name is Ambassador
Your name is Child Of God, but those aren't the only names you've got
Your name is Blessed, Beloved, Righteous, Redeemed
New Creation, Heir Of Christ, Citizen Of New Jerusalem
Friend Of God, Salt and Light, Soldier and Saint
Living Epistle, Living Sacrifice, Christian and Follower Of Christ
Do You Know Your Name, Do you know your name

Do you know your name, the many hats that you now wear
Do you know your name, the many titles that you now bear
You must understand the many roles you play and the purpose God has for you
For He has given you a name to claim for every trial that you go through
Do you know your name, do you know your name

When that lion comes a roaring to test and try your strength
Putting forth his best effort to break down your defense
Saying Jesus and Paul I knew but who are you, I don't recall your name
Stand to your feet and look him in the eye and boldly proclaim

My name is Anointed, My name is Chosen
When I was Born Again all Heaven heard the angels rejoicing
My name is Conqueror, My name is Ambassador
My name is Child Of God, but those aren't the only names I've got
My name is Blessed, Beloved, Righteous, Redeemed
New Creation, Heir Of Christ, Citizen Of New Jerusalem
Friend Of God, Salt and Light, Soldier and Saint
Living Epistle, Living Sacrifice, Christian and Follower Of Christ
Yes I know my name, yes I know my name, yes I know my name
Do You Know Your Name
