

## When Evil Seems To Be Winning

From a Christian perspective, it doesn't take long to come to the conclusion that evil is winning the battle among the 8 billion people who inhabit this planet. Whatever area of society that you look at, whether it be the government, banking, the school system, big tech companies, Hollywood, the music industry and even the church, long held Christian principles and values that were at one time a True North Compass to keep society on track and in accord with the Biblical wisdom given to us by our Creator, are under attack and are quickly being replaced by ungodly and unholy perspectives.

Jesus himself even warned us that closer to the time of His return, society would wax worse and worse. Things were going to get worse, not better. He even went on to make this statement in Luke 18:8 "When the Son of man returns, will he find faith on the earth." We are the generation that is seeing the fulfillment of that statement. We are truly experiencing the great apostasy spoken of in 2 Thessalonians 2:3: "Let no man deceive you by any means: for that day (Jesus' return) shall not come, except there come a falling away first".

I could go on and on about all the evil that is spreading throughout society but I won't. I will end my thoughts with how God sees all that is happening on the earth and how He plans to deal with it.

### Psalm 2 – The Living Bible

What fools the nations are to rage against the Lord! How strange that men should try to outwit God! For a summit conference of the nations has been called to plot against the Lord and his Messiah, Christ the King. "Come, let us break his chains," they say, "and free ourselves from all this slavery to God."

But God in heaven merely laughs! He is amused by all their puny plans. And then in fierce fury he rebukes them and fills them with fear.

For the Lord declares, "This is the King of my choice, and I have enthroned him in Jerusalem, my holy city."

His chosen one replies, "I will reveal the everlasting purposes of God, for the Lord has said to me, 'You are my Son. This is your Coronation Day. Today I am giving you your glory.'" "Only ask and I will give you all the nations of the world. Rule them with an iron rod; smash them like clay pots!" O kings and rulers of the earth, listen while there is time. Serve the Lord with reverent fear; rejoice with trembling. Fall down before his Son and kiss his feet before his anger is roused and you perish. I am warning you—his wrath will soon begin. But oh, the joys of those who put their trust in him!
